

Sample Prayer: from FAMILY

BLESSING BIRTH ORDER

Father, we bless our firstborn child to become the steward of the family, the bridge between the vision and the reality of the covenant of our family. We bless them to see the fulfillment of our family seal. We bless them to bring God's best, which is Love.

Father, we bless our middle child(ren) with Light to reveal their identity to them. We bless them to become the beacon that shines to reveal the family covenant. We bless them to become the thermostat for the family, identifying where we are on the road of Your will done. We bless them to understand their discernment and to boldly speak out what they have identified in the spirit.

Father we bless our last born child. We bless them to receive your revelation, your designs from heaven with which to bring Love to the world. We bless them to serve their family and to never stray from the call that You have on their lives. We bless them to know You deeply .

GENERATION Z

Father we forgive the children of Generation Z for trying to seek their own justice. We forgive them for protecting themselves and trading their gifts for their will done. We wash them all with the Blood of Jesus and they are purified, redeemed, and restored back to You. We hurl down the accuser and the memory of these sins is erased. We bless them to become agents of restoration for all of creation. We bless them to yield their lives to You daily and to receive the portions of restoration that You have set aside for us all to receive from them. We bless them to know You fully and deeply. Amen.

CUTTING

Father, our dear child is cutting themselves. We ask You to shine Your Light and reveal the hidden sins and the hidden treasures in all of our lives. Father, we repent for aborting our firstborn child. We repent of bringing bloodshed into the womb and affecting all of our subsequent children. We forgive our forefathers who did the same. We wash us all with the Blood of Jesus and we are all purified, redeemed, and restored back to You. We hurl down the accuser and the memory of these sins is erased. The power of bloodlust is dismantled in our family and our child is set free. We ask You to pour Your grace over them that they can learn new behaviors. We ask You to calm their nerves with Your peace, joy, and Love. Amen.
