

Sample Prayer: YOM KIPPUR OBSERVANCE

Heavenly Father, I praise Your name and thank You for this holy day that You have anointed for starting the new year off afresh. I ask You to bless this time for me and my family as we turn our eyes upon You and sit in Your Presence. I ask You to shine Your Light in my life to reveal the hidden sins. I ask You to give me my daily bread of Your Will done. I yield to You Lord, and ask You to show me all that needs to be cleansed for Your plans to be accomplished in my life.

Father I repent for every time I fell short of Your glory. I change my mind and receive the Blood of Jesus. Equally, I freely choose to forgive every person whose sin would bring power and authority to the enemy to interfere with Your Will in my life. I forgive our forefathers, those we have been in covenant with, and those who have trespassed against us. I wash us all with the Blood of Jesus and we are now purified of the unrighteousness, redeemed of every consequence, and restored to a right relationship with You. I hurl down the accuser with the Blood of the Lamb and the word of our testimony.

The memory of these sins is erased. Every curse is undone. All defilement: bloodshed, broken covenant, idolatry, and sexual immorality is washed away. Every lie, accusation, theft, and destruction is revealed in Your Light, forgiven, and washed away. All vows, oaths, covenants, contracts, and declarations of evil are dissolved. All christian prayer outside of Your will, all manipulation, all control, and all witchcraft is dismantled, unraveled, undone, and rendered powerless. The conspiracies are thwarted. No weapon formed against us will prosper. All portals, doors, and gates are off-limits to the enemy camp. I bind all demons interfering with Your Will that have just lost their rights and cast them to the feet of Jesus, never to return.

Father, I ask You to restore all facets of my life back to Your original design. By the Blood of Jesus, I declare that my family, friends, and co-workers are free of the effects of our sins from last year. Now that the deceptions that led us astray are dismantled, I ask You Father to intervene in our lives with Truth. I ask You to encounter each of us with Your Love and the revelation of Your heart for us. I declare that our homes, churches, ministries, occupational organizations, and our government are all set free from the power of the enemy. I ask You Father for Your blessing over all that we do this next year. I ask You to be our source in all things. I ask You to continue to shine Your Light and to give us each day our daily bread of Your will done. I yield to You and rest. I trust You with my life. You are good. I praise Your holy name. Amen.
