

Sample Prayer: ROSH HASHANAH  
(Yom Terua or “Day of Blowing Horns”)

*Father we celebrate this new year that begins today with rest and reflection on You, our source of everything. We thank You for the blessings and bounty of this last year. We give You glory for all that was accomplished for the Kingdom. We ask You to bless this new year with every kind of provision. We ask You to establish Your will done on earth through us, Your sons and daughters. We ask You to bring Love to the world through us as vessels. We give You glory for all that will be accomplished! We blow our horns and say, YES AND AMEN!*
